Card of Death

> <meta name="ProgId"> Wisps of demise seeps through

Card of release, card of death

Somewhere in that fateful pile

Each new touch, each sweet breath

Snatched by this torturous trialâ€¦

Death Card

#

Wisps of demise seep through

Those ancient prison walls

My every vision, much too true

The voice of defeat calls

The unfilled place summons me

To start this destined fable

Isolation's what I see

Around the silent table

My friends are behind the other faces

Not strangers with averted eyes

Refused to acknowledge their very own places

Rather chose to live in lies

Card after card we noiselessly drew

Each lost in a distant world

Though oblivious, inside we knew

Mist of trickery slowly swirled

Card of release, card of death

Somewhere in that fateful pile

Each new touch, each sweet breath

Snatched by this torturous trial

Death would fall into one's hand

Should I pray that card be mine?

Would I abandon guilt's final strand

And coldly, heartlessly, easily decline?

End
